## F. D. E. SETS NEW RECORD IN ATTENDANCE

Murray Area Chosen for  
1931 Session at Annual  
Meeting Friday, Saturday

WRATHRIP IS ELECTED  
SECRETARY FOR 1931

Changes Are Made in Con-  
stitution; College Pro-  
vides Entertainment

With a record-breaking enrollment of more than 1500 teachers and new high mark in attendance of visitors interested in education, the annual First District Educational Association meeting was held in Murray Saturday afternoon, after two days of work, with the session of the 1931 meeting places.

Prof. K. R. Harrison, superintendent of Mayfield schools, was elected president for the year ending May 1, 1932.

Other officers elected were: V. H. Wallace, superintendent of Highland county schools, first vice president; Miss Sarah Simmons, superintendent of Calloway county schools, second vice president; C. J. Arnett, principal of Sedalia schools, treasurer.

## Murray High Grads Have "Get Together"

By Mrs. Geo. Upchurch

All graduates of Murray High School were called to come to the school auditorium for a get-together meeting on Wednesday afternoon just before the Clay-Murray football game.

The program opened with music by the High School band and the following program was given:

Chorus—Murray High School Assembly—High School Girls' Sextet

Resume of the early educational institution in Murray—Mrs. Joe T. Lovett

M. H. S. history to the present—Supt. M. O. Wrathrip

Accomplishments of the School Today—Randolph Tucker, representing the Freshman class

With J. H. Caplinger presiding, the representative of classes from 1904 to 1930 were introduced and it was voted that the Murray High School should choose officers for the Alumni organization to be perfected at the very near future.

Others chosen were Supt. M. O. Wrathrip, president; Mrs. A. B. Austin, secretary-treasurer.

## POSTOFFICE SURVEY BIDS ADVERTISED

Will Be Opened in Wash-  
ington Dec. 10; Hope for Ac-  
tion in '31 Revived

GOOD CHANCE TO GET  
\$100,000 BUILDING SEEN

Original Estimate of \$45,000  
Now Considered Much  
Under Requirements

Hope that the government building to house the Murray post office will be built in 1931 have received a decided impetus with the announcement that sealed bids will be opened in Washington on December 10 for making a survey of the site. The government has owned the lot on the southeast corner of Fourth and Maple streets, north of the Baptist church, for the past several years.

The original estimate for the Murray post office was \$45,000, made at the time the lot was purchased, but Senators Barkley and Williamson and Congressman Gregory have been petitioned to endeavor to get the budget increased to \$100,000. They have promised every effort to get the appropriation at the short session of congress which opened Monday.

Since Murray has made considerable growth, both in population and postal volume of business, since the original survey it is expected that the increase in the appropriation has a good chance of getting through.

The government's specification for the survey of site gives 15 days for completion from date of receipt of notice to proceed.

The original survey for the Murray post office was made May 12, 1917. The blueprint was signed by C. E. K. Robertson and H. E. Holton, then postmaster and mayor respectively.

## M. Marks Making Big Reductions on Stock

One of West Kentucky's best and widest known clothing firms has been contributing its bit toward bringing back normal conditions with reductions of 20 per cent on practically its entire stock. It is M. Marks, Inc., Paducah, from whom hundreds of Calloway gentlemen have purchased their clothing requirements for many years.

Announcements of their reductions on nationally known lines of merchandise have been made in the Ledger & Times and Mr. Simon, executive secretary-treasurer of the firm has announced that the large reductions are still in effect.

## COUNTY SENDS GROUP TO THE DAM HEARING

Brief, Petition Presented  
Commissioners of Two  
States in Frankfort

PRELIMINARY PERMIT  
ON BIG PROJECT ASKED

Around \$35,000,000 Propose  
To Be Spent on Dam  
Near Eggers's Ferry

Delegations representing Calloway, Marshall and Trigg counties are attending a hearing which is being held today in the Capitol building, Frankfort, concerning the proposed hydro-electric and reclamation project on the Tennessee river near Eggers's Ferry.

County Judge C. A. Hale and Representative Thompson of the Kentucky delegation, and Patterson of the Concord district, are representing the county's interest in the matter while several Murray businessmen have been invited to accompany them to the hearing.

Among them were Senator T. O. Turner and Mayor Edw. Pilbeck, who were accompanied by a delegation of citizens.

The proposed dam is built in the Tennessee river, a distance of 10 miles, estimated between \$25,000,000 and \$40,000,000 on the edge of Calloway county and within fifteen miles of Murray by highway but also the probably industrial development of this section.

The project is being developed by the Tennessee Valley Authority, a Washington attorney, who is the applicant for the preliminary permit on behalf of the Tennessee Valley Authority before the Tennessee Valley Commission, at Nashville, November 6, that negotiations were started for the sale of the dam. Plans call for 165,000 horsepower at the beginning with the power increasing to 200,000 horsepower at the end of the dam.

Mr. Neill said that the companies which purchased the power would be the Tennessee Valley Authority.

Railroads have already signified their opposition to the dam and in expected that the project will also be opposed by the Kentucky Utilities Company and the Kentucky-Tennessee Light & Power Company.

Mr. Neill said that the companies which purchased the power would be the Tennessee Valley Authority.

## Many Will Suffer Unless Sympathetic Persons Give

The drought and the general depression will cause more suffering in Calloway county this winter than for several years. The task of relieving it all is so tremendous that everything that needs to be done cannot possibly be accomplished. But that does not mean that we should not try to do our very best.

Every effort must be exerted and every point possible must be strained to avoid as much suffering, hunger and cold as possible. Not one single child or adult should suffer one iota beyond that which we cannot possibly prevent.

Hundreds, yes hundreds, of Calloway county families are on the verge of starving, have insufficient clothing and some of them, no fuel at all with which to go through the rigors of winter.

The Girl Scouts, the Boy Scouts and the good citizens of Murray and Calloway county, together with school teachers, will use every facility at their command to gather money, food and clothing, and toys for Christmas for the little ones, and distribute them to needy families.

Your help is needed! Help in the form of money, food or clothing. You and your family have many discarded garments that will be gratefully appreciated by many.

## W. P. HANLINE, 67, DIES OF PARALYSIS

Prominent Farmer Leaves Widow, Five Daughters and Two Sons

William Penn Hanline, 67 years old, a prominent farmer at the Lynn Grove community, died Sunday at his home from the effects of a stroke of paralysis sustained several days ago.

Mr. Hanline was a member of the Coldwater Methodist church and had a wide circle of friends who join the family in mourning his death.

Besides his widow he leaves five daughters, Mrs. Pearl Cooper, Mrs. M. P. West, Mrs. Beatie Smith, Mrs. Grace White and Mrs. Andy Tidwell; and two sons, Virgil and Coy Hanline. He was survived by two granddaughters, Martha Hanline and Mrs. Louella Sheridan and one brother, Halston Hanline.

Funeral services were conducted by Rev. J. M. Kendall at the church Monday morning at eleven o'clock. Burial was in the Dazell cemetery.

## LEAF FLOODS MARKET HERE DURING WEEK

Average of \$6.25 is Lower  
Than That Received  
Last Year.

100,480 POUNDS SOLD  
ON WEDNESDAY, DEC. 3

Drouth and Continued Hot  
Weather Contribute To  
Low Prices.

Murray tobacco market opened Wednesday morning, December 3, with a huge quantity of lugs and common leaf selling at an average of \$6.25, which was considerably lower than that of last year. 100,480 pounds were offered for sale, but only 100,480 pounds could be accommodated the first day. Daily sales will continue the rest of the week ending at 9 o'clock, except Saturday.

Prices for leaf ranged from \$5.00 to \$17.50 and lugs sold from \$3 to \$6.50.

Jack Calhoun, of North Carolina, is auctioneer.

The 100,680 pounds of tobacco sold on both floors brought \$6,332.77 an average of \$6.29. Outland's floor sold 23,976 pounds paying \$2.41-17.7, an average of \$6.14.

Because of the drouth and continued hot weather of the summer the quality of the tobacco is very low.

The average of the Mayfield floor was approximately the same as that of Murray, averaging \$6.42.

Wednesday of last year the average for tobacco was \$12.25.

## TERRACING WILL BE DEMONSTRATED

To Be Held at W. A. Hay,  
Allbritton and Hendon Farms,  
December 11, 12.

County Agent, C. O. Dickey and Earl Welch, agricultural engineer, specialist for the University of Kentucky will hold two terracing demonstrations in the county this month.

Demonstrations will be held at Allbritton and Hendon farms in the New Providence community, Thursday, December 11th and at the W. A. Hay farm in the Stella community, Friday, December 12th. These demonstrations will start at 10 A. M. and last through the day.

The object of these demonstrations is to teach farmers of the county how to use the farm level and lay out terraces on their farms. Farmers of the county are urged to attend these meetings and learn how to run terraces with a level.

## LOST 2500 Milk Bottles!

Like the One Illustrated in This Ad

We have bought and put into service over 4,000 milk bottles this year, and we are having an awful time keeping enough bottles to supply our milk customers.

All "Cream Top" bottles as illustrated in this ad belong to us. We pay a royalty of \$100.00 per year for the exclusive use of this bottle, and anyone else using these bottles are doing so in violation of the law.

We earnestly ask your co-operation in helping us with our bottle problem. If you are a regular customer, won't you please put out bottles EVERY DAY. If you are not buying from our wagon, and have some of our bottles on hand, won't you please call 191 and we will arrange to get them.

THANK YOU!

## COMMISSIONER'S SALE

Callaway Circuit Court  
Angeline Allbritton Adm.

VS. Judgment. Plaintiff  
Her Heirs and Creditors. Defendants.

By virtue of a judgment and order of sale of the Callaway Circuit Court rendered at the November term thereof, 1929, in the above cause, for the purpose of payment of debts and cost herein expended, I shall proceed to offer for sale at the court house door in Murray, Kentucky, to the highest bidder at public auction, on Monday, the 22 day of December, 1930, at 1 o'clock or thereabout (same being county court day) upon a credit of six months, the following described property, being and lying in Callaway County, Kentucky, to-wit:

A certain lot in Hazel, Ky., bounded by beginning at an Oak tree marked by solar backed with three harks on four sides, said tree standing one hundred and forty five (145) ft. of the line on the East side of Hazel, and about one hundred and six (106) yards North of the State Line, thence East seventy five (75) feet to a Stake, thence North one hundred and fifty (150) feet to the beginning.

For the purchase price the purchaser must execute bond with approved securities, bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment, bidders will be prepared to comply promptly with the terms of Gen. S. Hart, Master Commissioner.

**Lynn Grove Notes**

Thirty-four persons appeared on the program at the Annual Fiddler's Contest at the Lynn Grove high school Thursday evening, November 27. The judges for the contest were Chester Clark, Wiswell, Ky., Pat Black, and Rudy Wright of Pans. Ill.

Willie Sims of Hardin, Ky., was awarded the place of the best all-around fiddler of the evening. Others winning prizes were: Everett Ray, Elbert, Ky.; Ham, Cortis Cole, and Rankin Chatman, violin numbers; Miss Myrtle Adams, vocal solo; L. L. Jackson, banjo selection; Mrs. Roy Poole, guitar selection; Tene Wilson, Rogers, piano solo; Martha Moll Stark and Evelyn Lou Lockhart, tied in reading; Thomas Myers, French harp solo; H. D. Robertson, best dancing; Sims and Chatman, duet; Adams band, three or more instruments.

To honor the victory won by the girls club of the Lynn Grove high school in the literary contest Saturday evening, November 22, the Future Farmers Club entertained the high school girls and the faculty members with a party at the high school auditorium, Wednesday evening, November 26, from 7 to 9 o'clock.

The cast for the sophomore play, "The Wild Oats Boy," has been selected and practice has begun. The play will be given just before the Christmas holidays. A Christmas program will also be given by the first six grades under the direction of Miss Ruth Lawrence, Jessie Sherman, Louella McDaniel, and Thelma Jones.

Miss Jessie Sherman, third grade teacher, has been quite ill for the past several days with tonsillitis.

Franklin Harris, a member of the Junior class who has been absent from school for several weeks on account of sickness, is reported a little better at this time.

The one-act comedy, "Spreading the News," will be presented by members of the elite in chapel Monday afternoon, December 8. The seniors will have charge Monday, December 15.

The first and second grade pupils under the direction of Miss Ruth Lawrence, gave a varied program in chapel Monday, November 24. The program was as follows:

Memory verses for Scripture reading—six girls. Dramatization of the Precocious Pig—second grade boys. Reading, "The Bill of Fare"—Robert Lee Kelley. Playlet, "The Months"—12 pupils, each representing by costume and action the different months of the year. Duet, "I'm going to tell my ma on you"—Dorothy Easley and Harkley Jones.

THE LEDGER & TIMES, MURRAY, KENTUCKY

**Kirksey Krumbles**

A few lines from this place might interest the many readers of the "Good Paper, Ledger & Times." I'll dash off a few items of the latest news and events in this part of the world.

Tobacco stripping has been the order of the day until it turned cold then boy killing became the trade for the last few days. There has been some moving in our village. Mrs. Jim Smith and daughter, Della and Mahone, of the Brewer vicinity, moved to our town. Miss Hallene has been boarding at Hugh Gingles and has been employed as teacher in our school. Mr. Brown Ross has moved back to his home place. George Marine moved to his home vacated by A. B. Edwards who moved to the house owned by Mrs. Hall Watson.

Thanksgiving was observed at the Methodist church by a special program and was the occasion for the gathering of a large number of people. The program was rendered by the little folks under the direction of Miss Johnnie McCallion and remarks were made by

some of the older people. "All in all, it was a very splendid program and was enjoyed by every one."

Mr. and Mrs. Louis Ross served a nice dinner on Thanksgiving which consisted of meats, chicken, pickles, pies and fruit cake, salads and other things too numerous to mention for I know the readers already have watery mouths from these items. The guests were Rev. O. S. Smith and mother, Mrs. Bettie Reid and daughter, Mary.

**WARNING NOTICE!**

Car owners are again warned that there is a city ordinance against operating cars at night with one light and I will be compelled to enforce it.

Have also about run out of Blue warning tags to cars not parking inside the painted lines and will have to start using the Red tags, which are a call to the city hall. R. B. Parker, Chief of Police

Mrs. T. B. Hurt and wife, Mr. and Mrs. Leslie Ross.

Max Hurt, who is principle of Water Valley high school, spent the Thanksgiving holidays with home folks and attended the F. D. E. A. at Murray.

Less Ross has put the finishing touch on a very splendid country home by arranging a very artistic yard fence and the planting of evergreens. In addition to his large commodious dwelling which adds beauty to our village he has erected a frost proof well house and has installed a Deming Running water system.

Mr. Novice Hubbs and wife, of St. Louis, visited the parents of Mr. Hubbs, J. C. Hubbs and wife, on Thanksgiving. "Better ring off for this time and if this misses the waste basket I shall try again." "Tattler."

Fifteen poultrymen in Bourbon county were assisted by County Agent P. R. Watlington in treating an epidemic of roup and chickenpox.

Thirty farmers in Trimble county have used 400 tons of marl, 310 tons of ground limestone and 4,400 pounds of hydrated lime this year, which is approximately twice the amount used last year.

**Adults Contract Children's Diseases**

Adults contract children's diseases. And usually they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet the symptoms are the same as in children: loss of appetite and weight, grinding the teeth and restlessness, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly cures round and pin worms from children will do the same for adults—White's Cream Vermifuge, which you can get at Wear Drug Co.

## After the Bacon

As this edition of the Ledger & Times goes to press a delegation of Murray and Calloway county citizens, including County Judge C. A. Hale and Magistrate Patterson and Thompson, are present at a hearing being conducted in Frankfort before representatives of the states of Kentucky and Tennessee, and the Federal Government concerning a preliminary permit to survey and plan an immense hydro-electric and navigation dam on Tennessee river just above Esplanade Ferry.

It is well that Calloway, Marshall and Trigg counties, which are contiguous to the proposed dam site, are sending sufficient delegations to this hearing to evidence the fact that the general public of these three counties are anxious to see this project become a reality. While it will require several years before the completion of the dam, if all preliminary

ing threat of competition in electric power and transportation will use every available method and means to block the Aurora dam project.

It is expected that they will have representatives at this hearing to see that Mr. McNellie's refusal, if possible, and if their efforts are unavailing, at Frankfort that they will continue to use every instrument at their command to prevent the dam from being constructed.

For these reasons, it is paramount that the county of Calloway, Marshall and Trigg, which would derive chief fruit from the dam, though all western Kentucky would be immediately benefited, have large delegations. At 11:45 hearings in order that those in authority may have ample and indisputable evidence of the unanimous public approval of the dam in these three counties.

less acute than in any other section. "With resources of approximately \$10,000,000 in Southern banks there should be confidence that fundamentally our banking situation is sound, and with our agriculture, or industry, and our banking resources there should be no uneasiness as to our general situation."

## Watch Those Slippery Roads

Everyone has been driving as fast this summer, never slowing up for a day because there was no rain, that it may be difficult for motorists to get back into safe and sane habits this fall and winter, now that it has started to rain. Every motorist should be "on his toes" in order to prevent accidents, not only to keep from hitting someone else, but avoid being hit.

Even the lightest shower is likely to make a surface-treated or asphalt road slippery and very dangerous in a very short time. A speed which is perfectly safe on a dry street may mean an accident when it is wet. If the driver is not able to bring his car to a stop quickly enough, an accident is sure to follow. These are very dangerous. Watch them. So is this layer of mud or clay on any road. Sometimes

concrete or rock asphalt pavements will be covered with drippings of oil and will be made slippery, especially if it is wet. Of course, no kind of pavement is safe when ice-covered.

If you can stop in ten feet in dry weather at the speed you are traveling, you must cut that speed in half to be able to stop in the same distance. Your speed at all times must be gauged by the condition of the pavement.—Herald News.

## WORK BEGUN ON CANTON BRIDGE

Work During Winter to Be Done on the West Side of the River

Actual work on the construction of the Cumberland bridge at Canton started when the first dirt was brought to the site. This was a miniature to be erected from the river out to the end of the bridge, and this will be conveyed concrete to where it is to be poured. The contractors plan to their work during the winter months, and the right-of-way is being cleared and making. Work on the bridge will be started as time will permit. The material is to be down the river on barges.

## WORK BEGUN ON CANTON BRIDGE

Work During Winter To Be Continued To The West Side Of The River

Actual work on the construction of the Cumberland river bridge at Canton started Tuesday when the first dirt was broken. This was a miniature railroad to be erected from the river front out to the end of the proposed bridge, and this will be used to convey concrete to where it is to be poured.

The contractors plan to confine their work during the winter to the west side of the river. The right-of-way is being cleared off, and making forms for concrete work and actual pouring of the concrete will be started as soon as time will permit.

The material is to be floated down the river on barges, and the

concrete is to be mixed at a central mixer on barges in the river, and this will be conveyed to the points where it is to be poured by the railroad to be built on the river bank.

A home for use of the engineer and his assistants will be erected on the east side of the river about half way from the business part of Canton to the ferry.

H. R. Crell, head of the bridge work with the State Road Department, was here Tuesday and yesterday going over the work at Canton and Eggers's, W. S. Todd and W. C. Martin, both of the office forces at Frankfort, were also here this week.

Plans are to be made at once for the road approaches to both Canton and Eggers's. Ferry bridges, and contracts for this work are to be let just as soon as plans are finished and the bids can be secured.

While Mr. Wilson, president of the Nashville firm to erect the bridge, has been in the county during the past week, the local superintendent of the construction of the bridge is R. F. Malcolm, of Nashville.—Caldwell Record.

## Trays for Yuletide Gifts

Trays are registered as especially "yuletide" gifts in current holiday displays. Of the making of attractive trays, there seems to be no end this season. Like everything else in interior decoration, trays have gone English to a great extent, depicting quaint stage-coach scenes, and colorful hunting scenes. Contrasting these are exquisite effects which are French in their dainty rococo design and antique-lacquered flower colorings.

# BIGGER AND BETTER THE NEW CHEVROLET SIX

*Strikingly beautiful, fleet and smart —a masterpiece of Fisher styling*

In the entire field of modern coachcraft no symbol has come to mean more to the buyer of a motor car than *Body by Fisher*. And never has Fisher's superiority been more strikingly exemplified than in the beautiful new bodies of the Bigger and Better Chevrolet Six!

Working with the added advantage of a lengthened wheelbase, Fisher designers have been able to achieve in the new Chevrolet a degree of smartness, comfort and impracticability hitherto considered exclusive to cars far higher in price.

Inside and out, you will discover scores of refinements that stamp this car as a masterpiece of modern coachwork. Radiator, headlamps and tie-bar have been artistically grouped to create an unusually attractive and distinctive ensemble. Mouldings sweep back from the graceful new radiator in an unbroken line to blend with the smart new body contours. And new colors, in carefully devised combinations, lend a new individuality.

Front view of the new Chevrolet Six Sport Coupe

Interiors, too, are exceptional in every way. The new mohair and broadcloth upholstery is tailored with exceptional smartness. Seats are wider and deeper and more luxuriously cushioned. A deep windshield and wider windows give better vision for both driver and passengers. And beautiful new hardware, of modern design, lends a final note of charm.

The greater quality and beauty of the new Chevrolet-Fisher bodies have a counterpart in the many improvements which have been provided in the chassis of this Bigger and Better Six. Among these improvements are a longer, deeper, stronger frame; easier steering; a more durable clutch; a quieter, smoother-shifting transmission; and engine refinements which make the new Chevrolet a car you will be happy to drive—as well as proud to own.

The Bigger and Better Chevrolet Six is now on display in our showrooms. See it today—drive it—and learn for yourself that it is the *Great American Value*.

Scott-Horton Marriage

Wednesday Before Thanksgiving Many friends and admirers of both young people through Western Kentucky have been much interested in the announcement of the marriage of Miss Nellie Scott, of West Paducah, and Prof. L. J. Horton, of the Murray State Teachers College faculty, which was solemnized in Paducah Wednesday before Thanksgiving.

The ceremony was quietly per-

formed at the home of the Reverend E. R. Ladd, pastor of the Park Avenue Cumberland Presbyterian church, Paducah, in his home.

Mrs. Horton is the talented and attractive daughter of Mr. and Mrs. O. W. Scott, of West Paducah. She has attended the college where she has been exceedingly popular and much in demand as a gifted soprano on many programs. This year she has been teaching in the Placer school, in McCracken county. Prof. Horton is the son of Mr. and Mrs. W. W. Horton of Alton, Illinois and a graduate of McKendree College, Lebanon, Illinois.

Before coming to Murray he

was a staff member of the St. Louis Post-Dispatch. Coming to Murray two years ago as head of the Journalism department and faculty director of the College

News, Mr. Horton is credited with

making these departments of the college outstanding in the state. He is also coach of the school's debating teams, which have won several prizes.

Immediately after the ceremony,

Mr. and Mrs. Horton left for Alton to spend the holidays with Mr. Horton's parents. They returned to Murray Monday.
